1200 Series

**FLEXIBILITY
&
VERSATILITY**

The Piedmont features a sleek, modular design that adds arrangement flexibility for countless possibilities. The perfect combination of functionality, versatility and style is sure to suit the needs of any user.

Mix and match modern and versatile components to find your perfect fit.

**STYLE
&
STORAGE**

You never have to compromise storage for style. Our unique modular design replaces or complements existing traditional metal storage to blend in effortlessly.

Our decorative laminate surfaces ensure any combination you select will accent your work space.

ECONOMICAL

The Piedmont Series is an economical choice that blends universal design and solid construction with sophisticated appeal.

Storage includes bookcases in three sizes with adjustable shelves.

Choose from free-standing pedestal and lateral files. Locks are standard on all laterals.

The executive bow-front desk adds a convenient conference function.

The L-shaped desk fits smaller spaces and provides generous work surfaces.

Our deluxe hutch and accent wardrobe add storage and style to any office environment.
