# Our purpose

Georgia Correctional Industries strives to improve the futures of the men and women in its industries programs. Through mentoring and skills development, GCI provides meaningful work experience that promotes career opportunities and marketable job skills. GCI is committed to building strong community partnerships to enhance support systems and employer connections – key steps in creating a successful reentry and a safer Georgia.

## **Amazing Value...while building futures!**

GCI is fully aware of the need to help agencies and clients save money. Taxpayers need to be sure that public funds are wisely used. GCI specializes in supporting low cost print solutions that offer AMAZING VALUE. Many of our long-term clients have been using GCI print solutions for over 35 years.

You have many options and vendors that offer narrow solutions. GCI provides a wide array of solutions and is able to manage all print needs. We manage the entire process. It's about finding a one-source partner who can help you plan, produce, and manage virtually every aspect of your organization's marketing and communications needs.

GCI's Print Consultants will help you save time, money, and aggravation by helping you understand options and resources available for a print solution. Instead of using several vendors for your printing needs, allow GCI to manage your marketing and communication needs as a one-stop solution. GCI offers a wide assortment of printing solutions, fulfillment, logistics support, and a library of your work to help you build future projects based upon your historical list of work.

# Discover what GCI printing can do for you

## **Who can buy from GCI?**

Whether you are part of a governmental entity or a private business, GCI can help solve your print needs. Ask for our easy payment terms.

## **Graphic Design, Typesetting, Pre-Press**

We can help you design your materials with digital design, forms, and typesetting services. We can design work for large format, offset optimization, collating, or custom applications. We accept PC or MAC formatted files.

## **No-Bidding Required**

For Georgia State Agencies (and many other governmental agencies), GCI operates through the inter-government agreement. This eliminates most requirements for bidding. Just use a purchase order type "IGA" when formatting the requisition or purchase order.

## **Fulfillment and Logistics**

GCI can optimize your print spending by running large volume orders and store forms, flyers, labels, or other items until needed. We provide a secure storage facility and will provide fulfillment services for a very low investment.

## **Custom Work**

Georgia Correctional Industries provides a wide variety of services. In addition to routine office work, GCI offers: metallic inks, matte, satin, or high gloss finishes. Archival quality printing is available and a full offering of bindery services are low cost and flexible for small and large volume work.

## **Print it!**

With virtually every type of printing, we'll help you decide what's right for your project. From digital to offset, our expertise in printing will get your message noticed. From start to finish, we take your marketing and communications ideas and turn them into reality.
