drafting stool

>> LXO mid back Drafting Stool [6000DS series]

>> about LXO drafting stool

The *LXO* work stool's ergonomic features provide comfortable, supportive, long-term seating at standing-height work surfaces.

The *LXO* work stool shares many of the design features of the work chair. Responsive ABLEX™ patterned weave mesh back, ENERSORB™ supportive seat foam, adjustable height arms, adjustable height leg rest, and more. All work together in a fresh looking, practical, supportive and comfortable work drafting stool.

The *LXO* work stool is designed for healthcare settings as well as office, hospitality, banking, manufacturing, laboratory and education environments.
