Dear Georgia Correctional Industries' Customer:

Unfortunately, GCI is not immune to the tremendous increases in the fuel costs for transportation. We continue find the best cost-effective methods for our customers and GCI appreciates your continued support in helping us develop the skills and talents of our offenders while providing you with quality products.

Due to these rising costs, GCI will be making changes to shipping and freight costs effective June 15, 2022. Please see the attached summary of GCI's shipping policy for more information. Feel free to contact GCI at customerservice@gci-ga.com or call 404-244-5112 if you have any questions.

Thank you for helping GCI with our mission!

Sincerely,

GCI Management.
